Specific Terms of Participation 2024

Event-specific additions to General Terms of Participation (ATB), Technical Regulations (TR) and House Rules of Hamburg Messe and Congress GmbH (HMC)

Exchange of exhibitor:	The transfer of the booked stand space is only possible by prior approval of HMC and signing a transfer agreement.
Exhibit protection:	Subject to a decision by the Federal Justice Ministry, HMC offers exhibitors a certificate for submission to the German Patent and Trade Mark Office that the exhibit to be protected (consumer/investment product, design/utility model) has been exhibited at GET NORD 2024. For further information see Online Service Center / approvals and applications.
Advance payment for expected additional costs: (see clause 5.3 ATB)	No additional advance payment is required for GET NORD 2024.
Invitations:	Exhibitors can invite their customers to the event by sending them invitations for free admission. The invitation which have been used by the customers will not be charged to the exhibitor. Invitations can be ordered in the exhibitor ticket shop (accessed via the Online Service Center). It is possible to order printed invitations or digital codes in the exhibitor ticket shop. The exhibitor ticket shop also provides you with a list of the invitations which have already been used and, after the exhibition has started, a list of the invitations with admittance.
Reductions in size of stand space:	The stand space specified in the acceptance is binding. After acceptance, any reductions in stand space requested by the exhibitor are possible only in consultation with HMC, and do not lead to reduction in stand rent. If HMC succeeds in renting out the stand space to a third party, an administrative fee amounting to 25% of the (proportional) participation fee for the space not used by the exhibitor is payable in accordance with clause 8.2 ATB.
Cancellation of stand: (see clause 8.2. ATB)	Free-of-charge cancellation is possible within the period specified in the placement proposal, or until acceptance without placement proposal. In the event of cancellation after acceptance, clause 8 ATB shall be applicable.
Insurance: (see clause 21.7 ATB)	Any insurance requirements or damage reports should be sent to: versicherung@hamburg-messe.de . Insurance policies can also be booked via the Online Service Center.
Stand design: (see clause 7 ATB, 5.7.8 TR)	The obligatory minimum requirements are floor covering over the full surface (carpet etc), stand inscription (company name and address) and stand participation walls visually appropriate to the surroundings (e.g. wallpapering or fabric wall covering).
Two-floor stands: (see clause 7.5 ATB, 5.9 TR)	For two-floor stands, the built area of the upper floor will be charged additionally with 50% of the participation fee of the ground floor area. Such two-floor constructions require the approval of HMC (cf. Online Service Center).
Cost element clause:	HMC may, at its reasonably exercised discretion, adjust the prices subject to this contract (pursuant to German Civil Code (BGB), Section 315) to reflect the development of costs relevant for price calculation. A price increase may be considered, and prices shall be lowered as appropriate, for example, in response to higher or lower costs incurred for the procurement of energy, or as warranted otherwise by changes of the cost situation due to new legal conditions affecting the event hereunder (such as a higher legal minimum wage). In the event of cost increases of a particular cost type, such as electricity costs, the prices charged by HMC may only be raised to the extent that the cost increase is not offset by decreasing costs in other areas, such as sales. If any costs, such as electricity costs, are lowered, HMC must lower its prices accordingly unless the lower costs are partially or entirely offset by higher costs in other areas. In exercising its reasonable discretion, HMC will choose the timing of any price change to avoid accounting for cost reductions in a manner that will put the Exhibitor at a disadvantage relative to cost increases, in other words, HMC will make sure that cost reductions will be reflected in its prices to the same extent as cost increases.
Acoustic performances: (see clause 13 ATB)	During regular opening hours, music performances or music played on exhibition grounds may not exceed a sound level of 60 decibels. Any acoustic performances require the written consent by HMC's project management. Copyrighted acoustic performances have to be announced (cf. Online Service Center).
Advertising expense:	The fee for the advertising expense amounts to € 5,00 per sq. m. plus VAT. For this HMC will provide the exhibitor with visitor brochures, DIN A1 posters, newsletter, free admission tickets and one WLAN access during the exhibition.
