Energy@GET NORD 2024

Energy transition, sector coupling and digitalisation

The 'Energy Forum – Renewable Energies and E-Mobility' area enjoyed a successful premiere in Hall B3 at GET NORD 2022. We look forward to building on that in 2024.

As part of the Energy@GET NORD area at GET NORD 2024, the Energy Forum will cover the topics listed below in various presentations. Exhibitors can also present their innovative products and services as part of the forum – as long as they fit within the areas of 'energy transition, sector coupling and digitalisation'.

Together with a team of experts, consisting of specialists from the energy sector, representatives of municipal energy suppliers, cluster agencies and grid operators, we have set out the following topics for the Energy@GET NORD area:

Topic 1: Energy transition

- Decarbonisation of energy infrastructure
- Industrial supply of hydrogen
- Legal guidelines: BE Act and Hamburg Climate Protection Ordinance

Topic 2: Sector coupling

- Municipal heat planning
- Energy storage, distribution, production surplus
- Integrated systems and participatory approaches
- Electromobility and building technology
- Feed-in from renewable energies and electricity distribution

Topic 3: Digitalisation

- Digital optimisation of energy consumption in existing buildings
- Digitalisation of the skilled trades – relieving the strain on master craftspeople
- Building information modelling (BIM)

How can I get an exhibition space in the Energy@GET NORD area?

- ✓ With products and innovations that fit the umbrella terms 'energy transition, sector coupling and digitalisation'
- ✓ Free second space of up to 9 m² for companies that have already registered as GET NORD exhibitors
- ✓ Paid space for new exhibitors exhibiting exclusively in this area

Participation prices

Exhibitors who have not registered yet		Second space for approved exhibitors	
Standard	Price* per m ²	Standard	Price** per m ²
Inline booth	€ 191 net	Inline booth	Free
Corner booth	€ 203 net	Corner booth	Free
Peninsula booth	€ 213 net	Peninsula booth	Free
Island booth	€ 220 net	Island booth	Free

*Minimum size 9 m²
